

BENTLEY VILLAGE **REQUIRES A NEIGHBOURHOOD WATCH CO-ORDINATOR.**

Neighbourhood Watch(NW) is about local people working together to create a safe and friendly place to live where neighbours care about each other and crime and anti-social behaviour is less likely to happen. It's about making sure no one feels alone and scared or vulnerable where they live.

On their own, the Police can't deal with all the problems and issues of crime and anti-social behaviour, they need the help of the whole community - and NW is a way for local people to get involved and help keep their community safe.

Are you willing to be the Scheme Coordinator for Bentley village?

Someone needs to take this role - it is the point of contact between the Police and your scheme and helps to develop links in your community.
